

Hello,

This message you are receiving is from Lucy, I used to be a part of the Saxon gang. I am writing to inform you that I have decided to assist you in getting back the painting on the condition that I am not to be prosecuted for taking it. The rest of the gang has taken Danny and locked him in a location that is unknown to me. I do not know much about where they are but I'll tell you what I do know. Before I do, however, I must ensure that it is indeed you receiving this message. Harold and Tom must not know I am sending you this message, please solve the puzzle below to ensure that I am sending this to the right person.

Thanks,
Lucy

Hello,

This is Lucy again, I am not sure where the Saxon Gang is hiding, I did, however, find this piece of paper hidden in their vaults. I do not know how to decode it but I am hoping that you may be able to do so for me.

Thanks,
Lucy

Hello,

I'm impressed that you decoded the note from the vaults. I'm surprised I didn't see it myself. In the vaults, I've been looking around for anything to do with Long Island and I found this file on Nikola Tesla. It's some kind of game - maybe it'll help?

Best of Luck,
Lucy
